CHIEF SECRETARIAT

Respected Sir,

Sub:- P. S.- Establishment - Allah Bak ~~granted~~ Ex-Excise & customs clerk- Saudur State - Absorbtion - orders on representation - requested.

Ref:- My petition dated 8.8.51 addressed the Chief Secretary to the Govt. St. George Madras through the proper chanal and reminders thereon. I, K. Allah Baksh former Saudur State permanent Excise & customs clerk now prohibition Guard No 53 at Saudur had put forth the my grievances in my petition cited above. But till today no orders have been received inspite of my humble repeated requests for absorption as a shroff or an attender in the Revenue Department instead of prohibition Guard. I have been appointed provisionally as prohibition Guard as stated in Bellary collectors L. dis 12342/50 dated 26.8.50 and Dist. prohibition officer Ref- No 3741/49 B.1 dated 9.7.50 it is needless to mention here that I was a permanent employee of the erstwhile State. Being so the collector and Dist. prohibition officer issued appointment orders stating that I have been appointed provisionally as prohibition Guard. In order to give due respect orders

to the said orders. I have accepted the prohibition Guard post and there submitted my representation cited.

I crave that I may be put in an advantagious post taking into kind consideration my long permanent service to absorb me either as a shroff or an attender in the Revenue Department which suit me for my health and age conditions and further request. My Service under the Sandur State and Madras Govt. may kindly be counted for pension in according with G.O. No 855/ Dated 26.3.50.

I once again pray for early orders in my case

I beg to remain
Sir,
your most obediently.
